Preface vii

Part I
Defining Urban Design

1. Urban Design Today 3

Understanding Urban Design 3
The Need for Urban Design 11
The Urban Designers 16
Conclusion 20

2. Urban Change 21

Changing Urban Space Design 21
Changing City Form 23
Information and Communication Technology 31
A Return to Urbanity? 34
Contemporary Urbanisms 40
Conclusions 46

3. Contexts for Urban Design 47

The Local Context 47
The Global (Sustainability) Context 51
The Market Context 55
The Regulatory Context 63
The Design Process 71
Conclusion 74

Part II
The Dimensions of Urban Design

4. The Morphological Dimension 77

Urban Morphology 77
Morphological Transformations 85
Connected Streets Patterns 92
Streets as Places 102
Conclusion 109

5. The Perceptual Dimension 111

Environmental Perception 111
The Social Construction of Place 119
Place Differentiation 125
Conclusion 132

6. The Social Dimension 133

People and Space 133
The Public Realm 137
Neighbourhoods 141
Safety and Security 147
Controlling Space: Access and Exclusion 154
Equitable Environments 158
Conclusion 166

7. The Visual Dimension 169

Aesthetic Appreciation and Preferences 169
Visual Qualities of Space 176
Visual Elements of Space 184
Conclusion 200

8. The Functional Dimension 201

Movement 201
Designing (Better) 'People Places' 205
Environmental Design 226
Designing Healthier Environments 229
The Capital Web 234
Conclusion 240

9. The Temporal Dimension 241

Time Cycles 241
The March of Time 244
Managing Change Over Time 257
Conclusion 266

Part III
Implementing Urban Design

10. The Development Process 269

Real Estate Development 269
Development Roles 274

Development And Place Quality 286
Conclusion 295

11. The Control Process 297

Public Intervention 297
Diagnosis/Appraisal 302
Policy, Design and Regulation 306
Education and Management 325
Conclusion 329

12. The Communication Process 331

Communication, Persuasion and Manipulation 331
Community Engagement 335
Representation 343
Written Communication and Design 354
Conclusion 356

13. Holistic Urban Design 359

'Questioning' Urban Design 359
The Challenge 360
A Holistic Approach 363
Conclusion 366

Bibliography 369
Index 389
