Contents

Preface xiii
Acknowledgments xv
Introduction: The Salmon's Problem 1
Chapter 1: Hooknose 9 A Rough Trip through Evolutionary Time 10 Origins of Anadromy 11 Upheavals and Eruptions 13 An Onslaught of Ice 16 After the Ice 19 Evolutionary Legacy 20
Chapter 2: The Five Houses of Salmon Humans Enter the Pacific Northwest The Rise of Salmon-Based Economies The Gift Economy 33 The First Salmon Management 37
Chapter 3: New Values for the Land and Water 42

Fur Trade 54 Mining 57 Timber Harvest 60 Grazing 66 Irrigation 71 Dams 76 Chapter 5: Free Wealth 81 Birth and Growth of the Salmon-Canning Industry 84 The Salmon Canners 90 The Fishermen 95 Indian Fishermen Displaced 98 Controlling the Harvest 102 Gear Wars 106 The Fishery Moves to the Ocean 109 The Hatchery Fix 111 Chapter 6: Cultivate the Waters 114 An Old Idea Whose Time Had Come 115 Hatcheries in the United States 119 Fish Culture Moves West 123 Acclimatization—Playing God with Ecosystems 128 Salmon Without Rivers 130 Salmon Refuges—The Road Not Taken 136 The Political Tool 139 Crack in the Foundation 141 The Search for Improvement 144 Chapter 7: The Winds of Change 151 Groping in the Dark 152 Science and Salmon Management 156	Chapter 4: The Industrial Economy Enters the Northwest 52	
Mining 57 Timber Harvest 60 Grazing 66 Irrigation 71 Dams 76 Chapter 5: Free Wealth 81 Birth and Growth of the Salmon-Canning Industry 84 The Salmon Canners 90 The Fishermen 95 Indian Fishermen Displaced 98 Controlling the Harvest 102 Gear Wars 106 The Fishery Moves to the Ocean 109 The Hatchery Fix 111 Chapter 6: Cultivate the Waters 114 An Old Idea Whose Time Had Come 115 Hatcheries in the United States 119 Fish Culture Moves West 123 Acclimatization—Playing God with Ecosystems 128 Salmon Without Rivers 130 Salmon Refuges—The Road Not Taken 136 The Political Tool 139 Crack in the Foundation 141 The Search for Improvement 144 Chapter 7: The Winds of Change 151 Groping in the Dark 152 Science and Salmon Management 156		
Timber Harvest 60 Grazing 66 Irrigation 71 Dams 76 Chapter 5: Free Wealth 81 Birth and Growth of the Salmon-Canning Industry 84 The Salmon Canners 90 The Fishermen 95 Indian Fishermen Displaced 98 Controlling the Harvest 102 Gear Wars 106 The Fishery Moves to the Ocean 109 The Hatchery Fix 111 Chapter 6: Cultivate the Waters 114 An Old Idea Whose Time Had Come 115 Hatcheries in the United States 119 Fish Culture Moves West 123 Acclimatization—Playing God with Ecosystems 128 Salmon Without Rivers 130 Salmon Refuges—The Road Not Taken 136 The Political Tool 139 Crack in the Foundation 141 The Search for Improvement 144 Chapter 7: The Winds of Change 151 Groping in the Dark 152 Science and Salmon Management 156		
Grazing 66 Irrigation 71 Dams 76 Chapter 5: Free Wealth 81 Birth and Growth of the Salmon-Canning Industry 84 The Salmon Canners 90 The Fishermen 95 Indian Fishermen Displaced 98 Controlling the Harvest 102 Gear Wars 106 The Fishery Moves to the Ocean 109 The Hatchery Fix 111 Chapter 6: Cultivate the Waters 114 An Old Idea Whose Time Had Come 115 Hatcheries in the United States 119 Fish Culture Moves West 123 Acclimatization—Playing God with Ecosystems 128 Salmon Without Rivers 130 Salmon Refuges—The Road Not Taken 136 The Political Tool 139 Crack in the Foundation 141 The Search for Improvement 144 Chapter 7: The Winds of Change 151 Groping in the Dark 152 Science and Salmon Management 156		
Irrigation 71 Dams 76 Chapter 5: Free Wealth 81 Birth and Growth of the Salmon-Canning Industry 84 The Salmon Canners 90 The Fishermen 95 Indian Fishermen Displaced 98 Controlling the Harvest 102 Gear Wars 106 The Fishery Moves to the Ocean 109 The Hatchery Fix 111 Chapter 6: Cultivate the Waters 114 An Old Idea Whose Time Had Come 115 Hatcheries in the United States 119 Fish Culture Moves West 123 Acclimatization—Playing God with Ecosystems 128 Salmon Without Rivers 130 Salmon Refuges—The Road Not Taken 136 The Political Tool 139 Crack in the Foundation 141 The Search for Improvement 144 Chapter 7: The Winds of Change 151 Groping in the Dark 152 Science and Salmon Management 156		
Chapter 5: Free Wealth 81 Birth and Growth of the Salmon-Canning Industry 84 The Salmon Canners 90 The Fishermen 95 Indian Fishermen Displaced 98 Controlling the Harvest 102 Gear Wars 106 The Fishery Moves to the Ocean 109 The Hatchery Fix 111 Chapter 6: Cultivate the Waters 114 An Old Idea Whose Time Had Come 115 Hatcheries in the United States 119 Fish Culture Moves West 123 Acclimatization—Playing God with Ecosystems 128 Salmon Without Rivers 130 Salmon Refuges—The Road Not Taken 136 The Political Tool 139 Crack in the Foundation 141 The Search for Improvement 144 Chapter 7: The Winds of Change 151 Groping in the Dark 152 Science and Salmon Management 156		
Chapter 5: Free Wealth Birth and Growth of the Salmon-Canning Industry The Salmon Canners 90 The Fishermen 95 Indian Fishermen Displaced 98 Controlling the Harvest 102 Gear Wars 106 The Fishery Moves to the Ocean 109 The Hatchery Fix 111 Chapter 6: Cultivate the Waters 114 An Old Idea Whose Time Had Come 115 Hatcheries in the United States 119 Fish Culture Moves West 123 Acclimatization—Playing God with Ecosystems 128 Salmon Without Rivers 130 Salmon Refuges—The Road Not Taken 136 The Political Tool 139 Crack in the Foundation 141 The Search for Improvement 144 Chapter 7: The Winds of Change 151 Groping in the Dark 152 Science and Salmon Management 156		
Birth and Growth of the Salmon-Canning Industry The Salmon Canners 90 The Fishermen 95 Indian Fishermen Displaced 98 Controlling the Harvest 102 Gear Wars 106 The Fishery Moves to the Ocean 109 The Hatchery Fix 111 Chapter 6: Cultivate the Waters 114 An Old Idea Whose Time Had Come 115 Hatcheries in the United States 119 Fish Culture Moves West 123 Acclimatization—Playing God with Ecosystems 128 Salmon Without Rivers 130 Salmon Refuges—The Road Not Taken 136 The Political Tool 139 Crack in the Foundation 141 The Search for Improvement 144 Chapter 7: The Winds of Change 151 Groping in the Dark 152 Science and Salmon Management 156	Dams 70	
Birth and Growth of the Salmon-Canning Industry The Salmon Canners 90 The Fishermen 95 Indian Fishermen Displaced 98 Controlling the Harvest 102 Gear Wars 106 The Fishery Moves to the Ocean 109 The Hatchery Fix 111 Chapter 6: Cultivate the Waters 114 An Old Idea Whose Time Had Come 115 Hatcheries in the United States 119 Fish Culture Moves West 123 Acclimatization—Playing God with Ecosystems 128 Salmon Without Rivers 130 Salmon Refuges—The Road Not Taken 136 The Political Tool 139 Crack in the Foundation 141 The Search for Improvement 144 Chapter 7: The Winds of Change 151 Groping in the Dark 152 Science and Salmon Management 156	Chapter 5: Free Wealth 81	
The Salmon Canners 90 The Fishermen 95 Indian Fishermen Displaced 98 Controlling the Harvest 102 Gear Wars 106 The Fishery Moves to the Ocean 109 The Hatchery Fix 111 Chapter 6: Cultivate the Waters 114 An Old Idea Whose Time Had Come 115 Hatcheries in the United States 119 Fish Culture Moves West 123 Acclimatization—Playing God with Ecosystems 128 Salmon Without Rivers 130 Salmon Refuges—The Road Not Taken 136 The Political Tool 139 Crack in the Foundation 141 The Search for Improvement 144 Chapter 7: The Winds of Change 151 Groping in the Dark 152 Science and Salmon Management 156		34
Indian Fishermen Displaced 98 Controlling the Harvest 102 Gear Wars 106 The Fishery Moves to the Ocean 109 The Hatchery Fix 111 Chapter 6: Cultivate the Waters 114 An Old Idea Whose Time Had Come 115 Hatcheries in the United States 119 Fish Culture Moves West 123 Acclimatization—Playing God with Ecosystems 128 Salmon Without Rivers 130 Salmon Refuges—The Road Not Taken 136 The Political Tool 139 Crack in the Foundation 141 The Search for Improvement 144 Chapter 7: The Winds of Change 151 Groping in the Dark 152 Science and Salmon Management 156		
Controlling the Harvest 102 Gear Wars 106 The Fishery Moves to the Ocean 109 The Hatchery Fix 111 Chapter 6: Cultivate the Waters 114 An Old Idea Whose Time Had Come 115 Hatcheries in the United States 119 Fish Culture Moves West 123 Acclimatization—Playing God with Ecosystems 128 Salmon Without Rivers 130 Salmon Refuges—The Road Not Taken 136 The Political Tool 139 Crack in the Foundation 141 The Search for Improvement 144 Chapter 7: The Winds of Change 151 Groping in the Dark 152 Science and Salmon Management 156	The Fishermen 95	
Controlling the Harvest 102 Gear Wars 106 The Fishery Moves to the Ocean 109 The Hatchery Fix 111 Chapter 6: Cultivate the Waters 114 An Old Idea Whose Time Had Come 115 Hatcheries in the United States 119 Fish Culture Moves West 123 Acclimatization—Playing God with Ecosystems 128 Salmon Without Rivers 130 Salmon Refuges—The Road Not Taken 136 The Political Tool 139 Crack in the Foundation 141 The Search for Improvement 144 Chapter 7: The Winds of Change 151 Groping in the Dark 152 Science and Salmon Management 156	Indian Fishermen Displaced 98	
Gear Wars 106 The Fishery Moves to the Ocean 109 The Hatchery Fix 111 Chapter 6: Cultivate the Waters 114 An Old Idea Whose Time Had Come 115 Hatcheries in the United States 119 Fish Culture Moves West 123 Acclimatization—Playing God with Ecosystems 128 Salmon Without Rivers 130 Salmon Refuges—The Road Not Taken 136 The Political Tool 139 Crack in the Foundation 141 The Search for Improvement 144 Chapter 7: The Winds of Change 151 Groping in the Dark 152 Science and Salmon Management 156	-	
The Hatchery Fix 111 Chapter 6: Cultivate the Waters 114 An Old Idea Whose Time Had Come 115 Hatcheries in the United States 119 Fish Culture Moves West 123 Acclimatization—Playing God with Ecosystems 128 Salmon Without Rivers 130 Salmon Refuges—The Road Not Taken 136 The Political Tool 139 Crack in the Foundation 141 The Search for Improvement 144 Chapter 7: The Winds of Change 151 Groping in the Dark 152 Science and Salmon Management 156		
The Hatchery Fix 111 Chapter 6: Cultivate the Waters 114 An Old Idea Whose Time Had Come 115 Hatcheries in the United States 119 Fish Culture Moves West 123 Acclimatization—Playing God with Ecosystems 128 Salmon Without Rivers 130 Salmon Refuges—The Road Not Taken 136 The Political Tool 139 Crack in the Foundation 141 The Search for Improvement 144 Chapter 7: The Winds of Change 151 Groping in the Dark 152 Science and Salmon Management 156	The Fishery Moves to the Ocean 109	
An Old Idea Whose Time Had Come 115 Hatcheries in the United States 119 Fish Culture Moves West 123 Acclimatization—Playing God with Ecosystems 128 Salmon Without Rivers 130 Salmon Refuges—The Road Not Taken 136 The Political Tool 139 Crack in the Foundation 141 The Search for Improvement 144 Chapter 7: The Winds of Change 151 Groping in the Dark 152 Science and Salmon Management 156		
An Old Idea Whose Time Had Come 115 Hatcheries in the United States 119 Fish Culture Moves West 123 Acclimatization—Playing God with Ecosystems 128 Salmon Without Rivers 130 Salmon Refuges—The Road Not Taken 136 The Political Tool 139 Crack in the Foundation 141 The Search for Improvement 144 Chapter 7: The Winds of Change 151 Groping in the Dark 152 Science and Salmon Management 156	Clares (C. Kineta the Waters 114	
Hatcheries in the United States 119 Fish Culture Moves West 123 Acclimatization—Playing God with Ecosystems 128 Salmon Without Rivers 130 Salmon Refuges—The Road Not Taken 136 The Political Tool 139 Crack in the Foundation 141 The Search for Improvement 144 Chapter 7: The Winds of Change 151 Groping in the Dark 152 Science and Salmon Management 156		
Fish Culture Moves West 123 Acclimatization—Playing God with Ecosystems 128 Salmon Without Rivers 130 Salmon Refuges—The Road Not Taken 136 The Political Tool 139 Crack in the Foundation 141 The Search for Improvement 144 Chapter 7: The Winds of Change 151 Groping in the Dark 152 Science and Salmon Management 156		
Acclimatization—Playing God with Ecosystems Salmon Without Rivers 130 Salmon Refuges—The Road Not Taken 136 The Political Tool 139 Crack in the Foundation 141 The Search for Improvement 144 Chapter 7: The Winds of Change 151 Groping in the Dark 152 Science and Salmon Management 156		
Salmon Without Rivers 130 Salmon Refuges—The Road Not Taken 136 The Political Tool 139 Crack in the Foundation 141 The Search for Improvement 144 Chapter 7: The Winds of Change 151 Groping in the Dark 152 Science and Salmon Management 156		
Salmon Refuges—The Road Not Taken 136 The Political Tool 139 Crack in the Foundation 141 The Search for Improvement 144 Chapter 7: The Winds of Change 151 Groping in the Dark 152 Science and Salmon Management 156		
The Political Tool 139 Crack in the Foundation 141 The Search for Improvement 144 Chapter 7: The Winds of Change 151 Groping in the Dark 152 Science and Salmon Management 156		
Crack in the Foundation 141 The Search for Improvement 144 Chapter 7: The Winds of Change 151 Groping in the Dark 152 Science and Salmon Management 156	C	
The Search for Improvement 144 Chapter 7: The Winds of Change 151 Groping in the Dark 152 Science and Salmon Management 156	The Political Tool 139	
Chapter 7: The Winds of Change 151 Groping in the Dark 152 Science and Salmon Management 156	Crack in the Foundation 141	
Groping in the Dark 152 Science and Salmon Management 156	The Search for Improvement 144	
Groping in the Dark 152 Science and Salmon Management 156	Chapter 7: The Winds of Change 151	
Science and Salmon Management 156	•	
A DOLIVIVERS E DEREUEA 161	Old Myths Dispelled 161	

Chapter 8: A Story of Two Rivers 170 The Fraser River 170 The Columbia River 180 Different Roads to Restoration 190	
Chapter 9: The Road to Extinction 202 Hatchery Success and Failure 207	
Epilogue: Building a New Salmon Culture A Single Wild Fish 228	222
Appendixes A. Classification of anadromous forms of salmon B. Comparison of life histories of seven species of Pacific salmon and trout 233 C. Geologic epochs mentioned in the text 237	231
