

CONTENTS

\\Foreword _7
\\Introduction _9
\\Basic design principles _10
\\Ecological habitat considerations _10
\\User and functional requirements _15
\\Relationship to location _18
\\Function _20
\\Spatial structures _25
\\Defining space _25
\\Organization of space _28
\\Borders _30
\\Grouping _31
\\Development of levels/heights _41
\\Proportion _46
\\Plants as a material _49
\\Plants: appearance _49
\\Time dynamics _64
\\Principles of design _71
\\In conclusion _84
\\Appendix _85
\\Planting plan _85
\\Literature _90
\\Picture credits _91
\\The authors _91
