Foreword by Fred Collopy 5

List of figures 9

List of tables 9

List of illustrations 9

Chapter 1 Getting ready 10

Case 1 Turning data about phone usage into a resource at 3 24

Case 2 Staging a different conversation about digital services at Microsoft 26

Method 1 Self-reflection 30

Chapter 2 Contexts, strategies, value creation 34

Case 3 Turning sofabeds into resources and rethinking travel experiences at Airbnb 49

Case 4 Agile organizing for democracy by reconfiguring resources through NYCVotes 52

Method 2 Visualizing drivers of change 55

Method 3 Mapping innovation ecosystems 59

Chapter 3 Behaving and experiencing 64

Case 5 Changing nurses' care-giving practices at Kaiser Permanente 80

Case 6 Changing behaviours through amplifying positive deviance in Danish prisons 83

Method 4 Mapping the user experience 86

Method 5 Creating a persona/storyworld 90

Chapter 4 Exploring and analyzing 94

Case 7 Using thick data about how children play to reframe business opportunities at LEGO 108

Case 8 Playing with cultural probes to generate new concepts in fast-moving consumer goods 111

Method 6 Segmenting by meaning 114

Method 7 Opportunity mapping 118

Method 8 Problem/proposition definition 122

Chapter 5 Inspiring and generating 126

Case 9 Prototyping value-in-use by storytelling at Google 141

Case 10 Recombining socio-cultural capacities through tinkering and improvisation at Frugal Digital 144

Method 9 Sketching 147

Method 10 Telling stories 150

Chapter 6 Prototyping and playing design games 154

Case 11 Combining existing concepts and activities with new ways of doing things through design games at MindLab 167

Case 12 Prototyping a new after-sales service at Mercedes-Benz 170

Method 11 Planning prototyping and design games 174

Method 12 Service blueprinting 178

Chapter 7 Understanding impact 182

Case 13 Focusing on outcomes to design a business-to-business marketing solution 196

Case 14 Using data to develop eco-driving behaviours at Fiat 199

Method 13 Creating an outcomes framework 202

Method 14 Defining design principles 206

Chapter 8 Organizing for service innovation 208

Case 15 Building service transformation capabilities at Capita 222

Case 16 Developing agile innovation teams in financial services at Barclays 225

Recipe 1 Quick wins to improve an existing service 228

Recipe 2 Innovation exploration for an existing service and team 229

Recipe 3 Innovation exploration for a new team working together on an issue 230

Afterword 231
